

Remarks

Well maintained ranch has a wonderful open layout with 2 full baths on the main level. Convert the kitchen closet into a pantry, stainless steel appliances (new dishwasher and disposal). Enjoy the fenced level back yard with an updated large deck. Master bedroom has a large walk-in closet. Main floor laundry, extra storage in garage, some finished square feet in the basement, but easily finish off the remaining lower level and add more FSF. All appliances remain, even the washer and dryer!
