Super cute and MOVE IN READY! All the "big stuff" has been taken care of. Beautifully remodeled kitchen featuring maple cabinets and granite, newer roof, HVAC 2013, windows replaced. Oversized detached garage offers great extra storage space and workshop possibilities. Flat, well manicured fenced backyard perfect for pets, kids, gardening, partying. No maintenance exterior. This one is IDEAL for empty nesters, a "bachelor pad" or any 1st time homebuyer that doesn't want renovation expense.
