Remarks

Don't miss this stunning tri-level in popular Arbor Gate! You will be impressed by the soaring ceilings as you enter this amazing home. Gorgeous updated flooring, island with extra counter space and stainless steel appliances in the kitchen make this home move-in ready. Master suite includes large w/i closet and attached master bath. Enjoy the privacy of no back yard neighbors on the beautiful deck and HUGE paver patio. Pre-inspected, Gretna schools, walking distance to parks...this is it!
