Remarks

Agents, we listened to you. We reduced the price to this very competitive level. The sellers have made numerous improvements to enhance the home. This home is going to make someone a real value! Popular birchwood ranch w/ generous square footage on both floors. Well built home with high ceilings ,6 panel hardwood doors, main floor office with french doors, and vaulted ceilings on the main floor family room. Walk out LL perfect for entertaining. Pre-Inspected. Most repairs completed.
